VOTER REGISTRATION MATTERS
SELMA, ALABAMA

In memorandum dated July 10, 1964, captioned as above, information received July 10, 1964, concerning an injunction issued by Judge James G. Hare, Selma, Alabama, was set out.

On July 11, 1964, United States District Judge Daniel H. Thomas advised that a petition had been filed in United States District Court, Southern District of Alabama, requesting that the cases of persons arrested in connection with the Selma racial demonstrations be transferred to Federal Court and that the persons be relieved of arbitrary and abusive bail and the Dallas County authorities be restrained from making unreasonable and arbitrary arrests.

Judge Thomas advised that a motion was also filed in his court seeking an injunction against Sheriff James G. Clark and Dallas County authorities to enjoin them from enforcing the injunction issued in Dallas County Court prohibiting demonstrations. Judge Thomas advised that he had denied this motion for an injunction, but granted an appealable order and attorneys indicated they would immediately appeal Judge Thomas' action to the 5th District Court of Appeals.

On July 14, 1964, Judge Thomas advised that he had assumed jurisdiction over approximately 70 persons arrested in the racial demonstrations in Selma who were still in jail. He set $300 bond on each one of the persons in jail. These bonds are surety bonds, acceptable surety being the Selma Bond Company, Selma, Alabama. He said that he felt most of the persons in jail would make bond

that date. Judge Thomas advised that on July 13, 1964, a petition was filed in United States District Court, Southern District of Alabama, requesting that the State Court injunction in Dallas County be transferred to the United States District Court, Southern District of Alabama.

On July 17, 1964, Judge Thomas advised that he would hold a hearing at 11 o'clock, July 20, 1964, in United States District Court, Montgomery, Alabama, on a motion to strike down the State injunction which was issued in Selma.

[redacted] b7C b7D

On July 20, 1964, [redacted] b7C b7D Montgomery, Alabama, advised that Judge Thomas heard arguments that date on whether to set aside the State Court injunction prohibiting racial demonstrations in Selma.

Judge Thomas said that he would be unable to rule on motions requesting transfer of the trials of all demonstrators arrested in Dallas County to United States District Court and that a study and ruling would be necessary on each case individually.

With regard to the motion requesting a temporary injunction preventing further arrests and harassments of the demonstrators, Judge Thomas ruled that this matter was no longer within his jurisdiction as the matter was under appeal to the United States 5th District Court of Appeals.

With regard to the motion requesting the dissolution of State Court injunction barring racial demonstrations in Dallas County, Judge Thomas gave opposing attorneys one week to submit affidavits. Briefs and counter-affidavits would then be filed within reasonable time after which a ruling would be made.

Zion Hall, 710 Green St., Selma, Ala., on the night of 7/5/64 can be found in Mobile letterhead memoranda of 7/10/64 and 7/21/64 captioned "RACIAL SITUATION, STATE OF ALABAMA, SELMA, ALABAMA"; Mobile File 157-367. Further information regarding this situation is contained in Reports of SA [redacted] Mobile, dated 7/10/64 and 7/20/64 captioned "UNSUBS; [redacted] - VICTIMS; CIVIL RIGHTS"; Mobile File 44-1145. b7C

REGARDING ITEM #4 OF REFERENCED BUREAU TELETYPE, WHICH PERTAINED TO THE ALLEGATIONS THAT NEGROES WERE BEING TURNED AWAY FROM THE VOTER REGISTRATION LINE 7/6/64 THROUGH 7/10/64, AND THAT THE LINE WAS BEING LOADED WITH NEGRO TRUSTYS:

It is pointed out that Bureau Agents observed the voter registration process and were directly on the scene at the time that numbers were issued to those individuals desiring to register to vote. The progress of the voter registration efforts at Selma, Ala, from 7/6/64 through 7/10/64 are reported in Mobile File 44-1144 in letterhead memoranda dated 7/7/64, 7/8/64, 7/9/64, and 7/10/64, captioned "VOTER REGISTRATION MATTERS, SELMA, ALABAMA; CR - AL". Further, concerning the allegation of the line being loaded with Negro trustys from the jail, and that people were being turned away, which was contained in Bureau teletype dated 7/6/64 captioned "RACIAL AND CIVIL RIGHTS SITUATION, SELMA, ALABAMA; CR - AL"; Mobile File 157-367, which requested a teletype answer. Reference is made to Mobile teletype, under same caption, on same date, Page 7, Paragraph 1, wherein this allegation was checked through [redacted] plus the continued observations of Bureau Agents; and, apparently, the allegation was unfounded and without basis. b7C b7D

This allegation was also discussed with Departmental Attorney CARL GABEL, who was on the scene at Selma, Ala., who had an opportunity to discuss the allegation with the Bureau Agent Observers, who advised him orally of the progress of the voter registration process, plus the fact that the allegation appeared to be unfounded; and GABEL stated that, in view of the close coverage, plus the fact that Bureau Agents were furnishing him a list of all individuals applying from 7/6/64 through 7/10/64 for registration, he did not desire any further investigation relative to the allegations, nor did he see the need to report same.

CIVIL RIGHTS

Mobile.

John Doar of the Civil Rights Division called yesterday evening to inquire as to the status of investigation at Selma, Alabama. [redacted] Voter Registration Matters Selma, Alabama

It is noted that Selma is extremely active now. Negroes are registering for voting at the courthouse and there are lines at the courthouse in this regard. Voter registration demonstrations have also been taking place and voter registration meetings have been held. There was trouble in Selma over the week end when Negroes integrated a local theater and attempted to eat in several restaurants. The Department has been making continuous requests for information on investigation and we have been furnishing them with a flow of information as it is received from the field.

Doar was specifically inquiring regarding the results of interview with [redacted] Student Nonviolent Coordinating Committee (SNCC) workers who had been arrested Friday, Saturday and Sunday, interviews with two newspapermen who had allegedly been injured at Selma over the weekend, and location and interviews of five disinterested witnesses who observed the clash between Negroes and whites when the theater in Selma was integrated on 7/4/64.

REC-9 [illegible]

Doar was advised that all these matters were under active investigation and that he would be advised of the results as soon as the field was able to complete the interviews and submit teletype summaries. He was told that all of these matters have been expedited and it was pointed out that with regard to interview of arrested persons at the jail, we are able to conduct only one interview at a time due to lack of facilities in the jail.

Doar furnished [redacted] information he had obtained from [redacted] to the effect that three local Negroes were hospitalized as a result of fights of 7/5/64 apparently as a result of an altercation [redacted] Street Church where a voter registration meeting was held. One of them was in Burnell Hospital and the other two in the Catholic Hospital. Doar requested they be interviewed and that [redacted]

interviews also be conducted with anyone else who has been or may be injured or arrested in Selma as a result of a civil rights or racial matter.

Doar also requested that he be furnished a description of the over-all situation as it existed in downtown Selma last Saturday and Sunday, the situation as it existed at the Greenstreet Church on the night of 7/5/64, and an over-all description of the public accommodations picture as it exists in Selma at the present time.

With regard to voter registration activity taking place at Selma, Doar had received information that the police were turning Negroes away from the front door of the courthouse without telling them, unless the Negroes specifically asked, that the voter registration line is at the rear door. He had also heard that the registration line is loaded with Negro trustees from the jail.

Doar mentioned that Departmental Attorneys Carl Gable and Brian Landsberg are going to Selma.

Doar inquired as to whether sufficient personnel are assigned to Selma to insure full coverage and prompt reporting and he was advised that Selma is adequately staffed and we will continue to stay on top of the situation and keep the Department currently informed of local developments.

ACTION:

The new requests and new information furnished by Doar were given to SAC Dalness, Mobile, who advised teletype covering most of these points is in preparation and any additional information necessary would be immediately submitted. Complete summaries have since been received and furnished the Department.

It is noted that Reverend Martin Luther King, Jr., was arrested at Selma, Alabama, 2/1/65 and charged with violating the city's parade ordinance. He has not made bond and is still in jail at Selma.

At 1:45 p.m. today, 2/3/65 SAC Roney of the New York Office telephonically furnished the following information to F. J. Baumgardner at the Bureau which information had been obtained from [redacted]

On this date 2/3/65, Andrew Young, an assistant to Martin Luther King, Jr., spoke to Clarence Jones, a New York City attorney who is an advisor to King. Young said that King had sent a note from the jail in Selma, Alabama, asking that "show people" come to visit him. Jones said that this could possibly be arranged for tomorrow 2/4/65.

Young also said that King had indicated in the note that Young should make a personal call to President Johnson and have him intervene in some way. Young said that he did not think he could get to talk to the President but thought that he could "make a case" to Lee White of the White House staff. Jones read to Young, U. S. Code, Title 10, Section 333, and Jones advised Young that Young should make clear to the President that they do not want troops. Young said that they are asking the President to do the following:

(1) To set issue straight before the Nation on the right to vote without obstructions

(2) Chastise Alabama for obstructing them

RE: VOTER REGISTRATION MATTERS

(3) They want President Johnson to take legislative or executive action that will clear up the confusion.

Jones suggested that the President could dispatch a small force of Federal marshals specially deputized by the President or the Attorney General. Young said that the Federal Marshal in Alabama now is scared of Sheriff Clark.

Clarence Jones was a member of the Labor Youth League in the mid 1950's. The Labor Youth League has been designated as subversive pursuant to Executive Order 10450.

ACTION:

Memoranda are being prepared for the White House and the Attorney General.
